### **Editorial Review**

From the Author

If you enjoy reading about ghosts, you might also like my new release, When the Dead Whisper. It is book one in the Mia Rushton series and is a paranormal mystery with romance.

About the Author

Tara Neideffer was born and raised in Indiana with a love for animals, especially horses. As a child she could always be found in the saddle, running her horse at full speed through open fields. She also has a love of ghost stories and a morbid fascination with watching murder mystery shows. When she's not busy writing, she's taking care of her animals, spending time with her family or reading. She still lives in Indiana with her husband, daughter and stepson on twenty acres, with too many animals to name.
