Going Naked Being Seen By Ms. MaryAnn Fry

From a cold and stark beginning in Kansas City, Missouri, to a healthy and empowered ending in Manhattan, this beautiful story demonstrates the triumph of the human spirit and the power of love to transform. Grace arrives in unexpected ways, always on time. Powerful and engaging, this story is alive. Inspired by Mary Magdalene, this book sheds new light on emotional sobriety and spiritual freedom. This book reveals the intimate development of conscious connection with the feminine attributes of God, as new faculties of being are developed, in real time, through ordinary life experiences. In fact, the ordinary becomes the sacred. It is a look into the heart and path of a mystic without a monastery, and a revealing portrayal of the science of love, as Mary Magdalene inspired it. Redemption means more than overcoming; it means alchemy too.

Editorial Review

Review

Praise for Going Naked Being Seen,

"Wow! A Brilliant book. I couldn't put it down."

"Maryann Fry's first book has captured the essence of human endeavour....Like the Phoenix and like Maryann Fry, we can all rise from the ashes. This is an important book."

Garry Gilfoy

Author of The BIG Picture: Insights from the Spiritual World

"Many people believe that Lawyer's don't have souls. This book will lay that fallacy to rest." J. Kim Wright, CuttingEdgeLaw.com

From the Author

It seemed effortless to glide through my early years on God given talent and gifts, and receive attention. At a point of great pain and sickness, I not only needed help to heal, I needed a new operating system in the world; something vital, sourced from within.

The surface of life; appearances, status, and achievements, pale in comparison to being truly seen, and loved. It was me that had to change in order to see the world differently. Love did that.

So many people loved me into being throughout my life, despite the fact that I didn't let them really know me. I didn't know myself, until recently. I hope this book begins a greater intimacy with all I know and come to know. My deepest gratitude goes to my family, my friends, and my Spiritual teachers.

Finally, to Adriana Koulias, Carolyn Jourdan and Kristina Kaine; I am in awe of you and the way we bravely and lovingly collaborated to publish our work together. It is an honor to walk with you.
