**Gray** By Pete Wentz, James Montgomery

**A fascinating and stunning novel from Pete Wentz, the founder and bassist of punk sensation Fall Out Boy—that reveals the dark side of rock-and-roll.**

*Sometimes, late at night in the hotel room, after the lights have gone out and the mistakes have already been made, when it is heavy and silent and still, I lie awake and listen to my pulse on the pillow...*

Imagine you are on a tour bus, the miles whistling away beneath you as you sleep. Tomorrow you will wake up in downtown Somewhere. It doesn't matter. All the skylines look the same. Time is only marked by events. The world is on a first-name basis with you.

But you...you barely even know yourself. There are those who give in completely to the idea of what it means to be famous. And those who can't ever seem to leave the past behind. Life is a deep and contemplative story stuck on repeat—love, loss, self-destruction, self-discovery.

If you could go back to the way things were before you made it...would everything still be gray?

## Editorial Review

From [Booklist](#)

Perfectly named, *Gray* explores the difficult transition into adulthood and the indelible mark a first love can leave. Drawing heavily from author Wentz's own life, the novel tells the story of Pete, a musician in Chicago who leaves college early to pursue his passion for music. As his band begins to find acclaim, Pete struggles with his difficult relationship with his girlfriend, a woman he knows he loves. *Gray* does not provide easy answers. Pete openly struggles with depression, anxiety, and substance abuse. He falls into negative behavior patterns, gets out, and then falls back into them again, ultimately attempting to take his own life. In raw and emotional prose, the first-person narrative puts the reader directly inside Pete's mind and in the middle of his struggles to make sense of his relationship with his girlfriend, his blossoming stardom, and his feelings of loss and isolation. Fans of Wentz's band, Fall Out Boy, as well as those who enjoyed Nick Hornby's *High Fidelity* (1995), will respond to this affecting read. --Eve Gaus

### Review

"Wentz brings you inside into the head of a rock star [in *Gray*]...Whether or not you're a fan of Fall Out Boy or just Pete Wentz, the book will be an interesting read for all." (The Beat Magazine)

### About the Author

**Pete Wentz** is the bassist, back-up vocalist, and primary lyricist of Chicago-based band Fall Out Boy.

## Users Review

### From reader reviews:

#### Novella Tinch:
