Honor Betrayed: Sexual Abuse in America's Military By Mic Dr. Hunter

In Honor Betrayed, Dr. Mic Hunter probes beyond the headlines to reveal the reality of sexual abuse in the military. The culture of the military's training is to turn recruits into those who follow orders without question. Honor Betrayed describes in detail the gross realities of the hostile, uber-masculine, dehumanizing environment our young men and women confront. Most vulnerable to sexual abuse are minorities-particularly women and homosexuals. Included are first-person accounts from American servicewomen and men who were sexually abused by their comrades, including one woman whose case was heard before the U.S. Supreme Court. Hunter also explores the tacit acceptance of these incidents in the military to the recent prisoner abuse scandal in Iraq.

Editorial Review

From [Booklist](#)

Illuminating a problem U.S. armed services still try to hide, Hunter shows that women and homosexuals in all four services risk sexual harassment and attack from their comrades. Reasons for this include many recruits' belief that being in the military proves "manhood"; the hierarchical system allowing the higher ranked to get away with abusing the lower ranked; the unwillingness of the lower ranked to get involved when a comrade is abused lest they suffer something similar; the unwillingness of the higher ranked to interfere with the system; and the custom of denying and covering up potential scandal. Hunter points out that actual abusers are a minority, but their influence is disproportionate because of the expectation that one will "bend and spread 'em" for one's superiors. Also, officers in policy-making ranks cannot conceive of or won't take effective action, despite the low morale abuse generates and the need for effective, well-disciplined troops. Hunter's abused interviewees talked to him because he isn't a veteran and so, they thought, would believe them and not cover up their stories. Murray, Frieda

Users Review

From reader reviews:

Arnold Williams:

Precisely why? Because this Honor Betrayed: Sexual Abuse in America's Military is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will distress you with the secret this inside. Reading this book alongside it was fantastic author who all write the book in such remarkable way makes the content within easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of advantages than the other book include such as help improving your proficiency and your critical thinking method. So , still want to hold up having that book? If I had been you I will go to the guide store hurriedly.
