La historia intelectual como historia literaria (coedición) (Spanish Edition)

By Friedhelm Schmidt-Welle

El presente libro reúne una serie de artículos que se ocupan de la historia intelectual en Hispanoamérica desde la independencia hasta fines del siglo XX. El volumen tiene un marcado enfoque en la historia intelectual de Argentina y México. Partimos de la idea de que la historia intelectual en Hispanoamérica no se puede escribir sin tomar en cuenta tanto el rol que los escritores juegan en ella como también la función de sus textos estrictamente literarios o ficcionales. En otras palabras: añadimos a la historia intelectual hispanoamericana la perspectiva de reescribirla como historia literaria.
