**Leaving the Beach** By Mary Rowen

**A 2016 IPPY Award Winning Novel.** Erin Reardon gets her first kiss from Jim Morrison. She loses her virginity to David Bowie. When she flunks out of college, Bruce Springsteen is there to comfort her, and Elvis Costello breaks her heart in Europe. So what happens when she actually meets a rock star? ***Leaving the Beach*** is a gritty story about illusion, reality, and the odd ways that music can blur the lines between the two.

Written with heart and compassion, ***Leaving the Beach*** chronicles the day-to-day struggles of a "functioning bulimic." It explores the power of fantasy, then shoves it up against harsh reality until something's got to give in this women's novel set on the sandy beaches of Winthrop, Massachusetts.

**This is a new release of an edition originally published by Booktrope.**
