### Only for Us By Cristin Harber

The third installment of the Only series. Must be read in order.

Grayson and Emma. First love. True love. And... they have a daughter. Abandonment is his curse. He left his woman, survived his team, and missed the moment most precious to a father. Until now.

*I didn't know you were killing yourself with work. I didn't know you're raising our daughter. So help me God, had I known, there is no military force on earth that would've kept me from you.*

Love needs to heal all, or they won't survive the collision of their separate lives. Emma must reach deep into her heart that is barely hanging on and find forgiveness. Grayson, wrecked with PTSD-filled nightmares, must prove that he's here to stay and able to rebuild his family against all odds.

*I need to say I love you. But what I mean is I love you—in a way that defies definition and exists only in a world that you and I are in.*

Only for Us is the third installment in the Only series.

#### From the Author

**It's sweet, it's hot, it's totally different from what you've read in the Titan and Delta series. There is Titan crossover. It's set in that world with familiar characters but it's told a different way. Think Sweet Girl smashed with Garrison's Creed. Grayson and Emma will make you swoon.**

**ONLY FOR US is the third of four books in the new novella series by New York Times bestselling romance author Cristin Harber. The series follows a young couple pulled apart by war and thrown together by family. All volumes planned to release Spring 2015.**
