**Dreaming in Byzantium and Beyond** By George T. Calofonos

Although the actual dreaming experience of the Byzantines lies beyond our reach, the remarkable number of dream narratives in the surviving sources of the period attests to the cardinal function of dreams as vehicles of meaning, and thus affords modern scholars access to the wider cultural fabric of symbolic representations of the Byzantine world. Whether recounting real or invented dreams, the narratives serve various purposes, such as political and religious agendas, personal aspirations or simply an author's display of literary skill. It is only in recent years that Byzantine dreaming has attracted scholarly attention, and important publications have suggested the way in which Byzantines reshaped ancient interpretative models and applied new perceptions to the functions of dreams.

This book - the first collection of studies on Byzantine dreams to be published - aims to demonstrate further the importance of closely examining dreams in Byzantium in their wider historical and cultural, as well as narrative, context. Linked by this common thread, the essays offer insights into the function of dreams in hagiography, historiography, rhetoric, epistolography, and romance. They explore gender and erotic aspects of dreams; they examine cross-cultural facets of dreaming, provide new readings, and contextualize specific cases; they also look at the Greco-Roman background and Islamic influences of Byzantine dreams and their Christianization. The volume provides a broad variety of perspectives, including those of psychoanalysis and anthropology.

### **Editorial Review**

#### **Review**

'... this is an interesting collection of papers on dreams that discuss texts or passages which deserve to be noticed, not least for their engagement with the irrational.' Bryn Mawr Classical Review

#### **About the Author**

Christine Angelidi is Research Director Emerita at the Institute of Historical Research of the Hellenic National Research Foundation, Greece. George Calofonos is Research Associate at the Institute of Historical Research of the Hellenic National Research Foundation, Greece.

### **Users Review**

#### **From reader reviews:**

##### **Melissa Sanders:**

Information is provisions for individuals to get better life, information these days can get by anyone in everywhere. The information can be a information or any news even a huge concern. What people must be consider when those information which is inside former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one typically the resource are convinced. If you have the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Dreaming in Byzantium and Beyond as the daily resource information.

##### **Ryan Donahue:**

Playing with family in a very park, coming to see the marine world or hanging out with close friends is thing that usually you could have done when you have spare time, and then why you don't try matter that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info.
