### Gloria Swanson: The Ultimate Star By Stephen Michael Shearer

Gloria Swanson defined what it meant to be a movie star, but her unforgettable role in *Sunset Boulevard* overshadowed the true story of her life. Now Stephen Michael Shearer sets the record straight in the first in-depth biography of the film legend.

Swanson was Hollywood's first successful glamour queen. Her stardom as an actress in the mid-1920s earned her millions of fans and millions of dollars. Realizing her box office value early in her career, she took control of her life. Soon she was not only producing her own films, she was choosing her scripts, selecting her leading men, casting her projects, creating her own fashions, guiding her publicity, and living an extravagant and sometimes extraordinary celebrity lifestyle.

She also collected a long line of lovers (including Joseph P. Kennedy) and married men of *her* choosing (including a French marquis, thus becoming America's first member of "nobility"). As a devoted and loving mother, she managed a quiet success of raising three children. Perhaps most important, as a keen businesswoman she also was able to extend her career more than sixty years.

Her astounding comeback as Norma Desmond in Billy Wilder's *Sunset Boulevard* catapulted her back into the limelight. But it also created her long-misunderstood persona, one that this meticulous biography shows was only part of this independent and unparalleled woman.

## Editorial Review

From [Booklist](#)

Shearer, author of *Beautiful: The Life of Hedy Lamarr* (2010), sets out to prove that the sum of the real Gloria Swanson's parts added up to a whole lot more than those of her most famous screen persona. Although many mistakenly equate Swanson's life with that of tragic caricature Norma Desmond, her 1950 comeback turn in *Sunset Boulevard*, nothing could be further from the truth. Film icon, fashionista, and femme fatale extraordinaire, Swanson, the ultimate Hollywood success story and silent-film survivor, was also a shrewd businesswoman who excelled at her craft and independently exerted control over her own career before more women in the industry dared to do so. Living a life as large as her films, she never remained mired in the past, effectively marketing and reinventing herself decade after decade. From her childhood in Chicago to her death at age 84, Swanson was always ready for her close-up. --Margaret Flanagan

"Reveals the passion, the ego and the insecurities that propelled the movie queen through a seven-decade Hollywood career in which she was a remarkably modern woman years ahead of her time: producing her own movies, choosing her scripts and leading men on-screen and off, becoming a flamboyant Hollywood magnate and blowing a fortune indulging her libido. ...
