Little Samantha's Choice By *Meredith O'Reilly*

After twenty-five-year-old Samantha Briggs leaves an initially minor sickness untreated, the illness worsens quickly and she ends up feverishly sleeping the weekend away. Her husband, Jackson, stays by her side and sees to all of her needs. But when she wakes up wearing a diaper and footie pajamas, she is furious. Jackson apologizes, but he does admit that he has always yearned to care for Samantha like a loving daddy.

Samantha is shaken by this revelation, but after some reading and some thinking, she agrees to try being Jackson's little girl. She soon finds herself happily immersed in a land of games, dolls, bedtime stories, and her daddy's loving care for her every need. She isn't sure how she feels about wearing a diaper, and she definitely doesn't like the spankings she gets when she's naughty, but the peaceful surrender that comes with being her daddy's little girl makes her feel as though every stressful part of her life has been erased.

Samantha and Jackson fall into a routine: she is an adult on the weekdays, and a little girl—and sometimes a baby—on the weekends. But when she slips up and embarrasses herself by behaving childishly during a stressful morning at work, she reconsiders their new relationship. Will she give up the lifestyle she's grown to love so much, or can she come to accept that there is nothing wrong with choosing to be her daddy's little girl?

Publisher's Note: Little Samantha's Choice is an erotic novel that contains spankings, age play, anal play, elements of BDSM, sexual scenes, and more. If such material offends you, please don't buy this book
