**Pitbull: A British Bad Boy Romance** By Sam Silvetti

### Disgraced on the field – a disgrace off it.

Jack Bailey is known as 'Pitbull', and he's British rugby's bad boy. He can't control his temper, and just got banned from playing because of it. Jack Bailey's had enough, and things are only getting worse.

A chance encounter in a hotel bar with a curvy redhead takes his mind off matters – for one night anyway.

The following day they part, never expecting to see one another again, and Emily is more than happy with that arrangement, after finding out just who the man she slept with is.

When Jack gets ordered by his club to seek professional help for his issues, he has no intention of continuing to see a psychologist – especially when one of them urges him to pretend he's a soaring bird. It's all voodoo sh\*t to Jack, and he has no time for it. Until he meets the last one on his list that is - a woman he never expected to see again. Bring on the fun!

\*No knowledge of rugby is needed to read and enjoy this book! \*

This book contains a **happy ever after**, an **epilogue** , and absolutely none of that nasty cheating stuff!

Contains scenes and language that may make you blush.
