**The Parent's Tao Te Ching: Ancient Advice for Modern Parents** By William Martin

William C. Martin has freshly reinterpreted the Tao Te Ching to speak directly and clearly to the most difficult of modern tasks -- parenting. With its combination of free verse and judicious advice, *The Parent's Tao Te Ching* addresses the great themes that permeate the Tao and that support loving parent-child relationships: responding without judgment, emulating natural processes, and balancing between doing and being.

### Editorial Review

#### Review

A masterpiece. William Martin captures the essence of what it means to raise a child. Urgently needed, this precious book lifts parenting to new heights -- *Judy Ford, author of Wonderful Ways to Love a Child and Wonderful Ways to Be a Family*

I loved William Martin's The Parent's Tao Te Ching. Advocating patience, compassion, simplicity, and parental awareness, these ancient lessons allow mothers and fathers to quietly reflect on their own selfhood, then to see and respond to their children's authentic selves. Every parent should keep this book on their bedside table to read and re-read as they negotiate the tumultuous reality of family life -- *Virginia Beane Rutter, Jungian analyst and author of Celebrating Girls: Nurturing and Empowering Our Daughters*

If ever there was an undertaking that could use every bit of ancient wisdom available it is parenting, and William Martin's The Parent's Tao Te Ching consistently and elegantly brings us back to the beautiful depths of this most honored role -- *Will Glennon, author of Fathering and 200 Ways to Raise a Girl's Self-esteem*

William Martin shows how the universal lessons of Taoism can be applied to parenthood. In the process, he not only sheds light on the most sacred of tasks we face, but he also works to bring peace and understanding to a coming generation -- *Deng Ming-Dao, author of The Chronicles of Tao, 365 Tao and Everyday Tao*

#### About the Author

William C. Martin, a Taoist writer and painter, lives in Northern California with his spouse, Nancy - who is a traditional bookbinder/book repairer.

### Users Review

#### From reader reviews:

##### Brian Wilson:

Reading a guide can be one of a lot of pastime that everyone in the world enjoys. Do you like reading book so. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new data. When you read a e-book you will get new information due to the fact book is one of several ways to share the information or even their idea. Second, reading through a book will make you actually more imaginative. When you reading a book especially fictional works book the author will bring someone to imagine the story how the figures do it anything. Third, you can share your knowledge to some others. When you read this The Parent's Tao Te Ching: Ancient Advice for Modern Parents, you can tells your family, friends and also soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a e-book.

##### Maritza Berry:

Reading a guide tends to be new life style in this era globalization. With reading you can get a lot of information that can give you benefit in your life. Using book everyone in this world can share their idea.

Publications can also inspire a lot of people. Plenty of author can inspire all their reader with their story or maybe their experience. Not only situation that share in the textbooks. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors in this world always try to improve their expertise in writing, they also doing some study before they write to the book. One of them is this The Parent's Tao Te Ching: Ancient Advice for Modern Parents.

**Robert Olsen:**

Playing with family in the park, coming to see the sea world or hanging out with buddies is thing that usually you have done when you have spare time, then why you don't try thing that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love The Parent's Tao Te Ching: Ancient Advice for Modern Parents, it is possible to enjoy both. It is great combination right, you still want to miss it? What kind of hangout type is it? Oh seriously its mind hangout fellas. What? Still don't buy it, oh come on its called reading friends.

**Roberta Lawrence:**

That e-book can make you to feel relax. This particular book The Parent's Tao Te Ching: Ancient Advice for Modern Parents was bright colored and of course has pictures around. As we know that book The Parent's Tao Te Ching: Ancient Advice for Modern Parents has many kinds or type. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and feel that you are the character on there. So , not at all of book are generally make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book for you and try to like reading in which.
