The School of the Prophets is a ministerial school of development for those who are called to any aspect of Christ and want to learn more about the gift of prophecy and/or the office of prophet. The School of the prophets (company of prophets) is not new move or concept. It was developed during the ministry of the Prophet Samuel. (1 Samuel 10:5). The Prophet Samuel was one who had revelation, (visions, dreams, prophecy) who interceded (stood in the gap, made up a hedge) protected the people (warfare strategy, executing the word of the Lord), taught other prophets, anointed leaders, provided counsel to warriors concerning divine strategy, as well as prophesying the word of God according to the revelations that he received from God.
