The Transfiguration of Our World: How a Light Alliance Is Transforming Darkness and Creating a New Earth By Gordon Asher Davidson

Why is our world in such upheaval today? What or who is causing it, and where are we headed? The Transfiguration of Our World (Expanded Edition) gives a comprehensive overview of the world situation, why we are having such problems, and the solutions now being put in place. According to author Gordon Asher Davidson, the world is being guided by an interdimensional Light Alliance working closely with many members of humanity to release the hold of darkness on our planet. In order to loosen the impasse currently gripping the world, it is essential for us to recognize and understand the purpose of higher beings and civilizations from beyond our planet. Their intention is to help us co-create a sustainable and spiritually fulfilling civilization based on love and aligned with a higher spiritual plan for human evolution. The Transfiguration of Our World offers new insights into the history and current state of the ancient struggle between the forces of light and darkness on our planet; the cosmic decree following the events of 9/11, which brought about a galactic response that offset the power of the dark cabal; the inflowing powerful, new spiritual energies and resulting movements for planetary liberation; and a detailed outline of the unfolding plan now being implemented for regenerating our planetary life. The plan for Earth's evolution includes financial, political and media reforms, a more enlightened use of resources, the regeneration of the environment, and a renaissance of spiritual cooperation between humanity and the subtle spiritual worlds, including galactic civilizations. Based on 20 years of deep meditation and contact with higher beings by the author, this book provides a corrective lens for humanity's vision of the future. Some of the topics explored are:

- The formation and cooperative work of the Galactic and Earth Light Alliances - How these alliances were formed, their relationship to Earth's leadership and the plan for the transfiguration of Earth and humanity.
- How the matrix of love is being activated – The awakening of humanity to the omnipresent, infinite matrix of love energy which transcends all dimensional limitations of time and space and creates an indissoluble bond between all worlds.
- The struggle between the light and dark forces on Earth - How the spiritual Masters and higher beings have offset the influence of the dark forces over millennia.
- The true significance of 9/11 - How this event totally transformed the rules of the game for humanity's

evolution and catalyzed a galactic response. • Detailed plans for the reorganizing of world systems – Transforming the structures of financial and political systems and reorganizing the use of resources. • What each of us can do – How to use your co-creative power, raise your energy frequency, and use meditation and other techniques to cooperate with the Light Alliance.
