Desigualdad en Chile: La continua relevancia del género (Spanish Edition)

By Claudia Mora

En palabras de Carlos Peña; los seres humanos venimos al mundo provistos de dotaciones o recursos muy desiguales. Algunos de ellos son fruto del azar natural (una discapacidad por ejemplo o; por la inversa; una especial aptitud física); otros son resultado de la historia (por ejemplo la clase social en que se vino al mundo). Esas diversas dotaciones situarán a su poseedor en un determinado lugar del espacio social; dirán en qué parte de las múltiples e invisibles escalas del prestigio y del poder podrá descansar. Este libro intenta; a la luz del conocimiento acumulado; responder esas preguntas.
