El rostro de la batalla (Noema) (Spanish Edition) By John Keegan

Publicado originalmente en 1976 y actualizado en 2004, este es el libro que consagró a John Keegan como el mejor historiador militar de su generación. Un análisis de tres batallas emblemáticas del arte de la guerra: Agincourt, Waterloo y el Somme, contadas desde el punto de vista del soldado que lucha en primera línea. Es una mirada a la experiencia directa de las personas "en el punto de máximo peligro", examinando las condiciones físicas de la confrontación, las emociones particulares, las dinámicas que se experimentan en el campo y los motivos por los que el soldado se mantiene en pie y sigue luchando en vez de darse la vuelta y huir.

This El rostro de la batalla (Noema) (Spanish Edition) can be the response, oh how comes? The new book you know. You are and so out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these books have than the others?

David Byrd:

As a college student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this El rostro de la batalla (Noema) (Spanish Edition) can make you truly feel more interested to read.
