Fools Rush In (Weddings by Bella Book #1): A Novel By Janice Thompson

Bella Rossi may be nearing thirty, but her life is just starting to get interesting. When her Italian-turned-Texan parents hand over the family wedding planning business, Bella is determined not to let them down. She quickly books a "Boot Scoot'n" wedding that would make any Texan proud. There's only one catch-- she's a country music numbskull because her family only listens to Frank Sinatra and Dean Martin. Where will she find a DJ on such short notice who knows his Alan Jackson from his Keith Urban?

When a misunderstanding leads her to the DJ (and man) of her dreams, things start falling into place. But with a family like hers, nothing is guaranteed. Can the perfect Texan wedding survive a pizza-making uncle with mob ties, an aunt who is a lawsuit waiting to happen, and a massive delivery of 80 cowboy boots? And will Bella ever get to plan her own wedding?

Book one in the Weddings by Bella series, *Fools Rush In* is fun, fresh, and full of surprises. Readers will love the flavorful combination of Italian and Tex-Mex, and the hilarity that ensues when cultures clash.

Editorial Review

Review

Thompson's book takes a fresh and absolutely hilarious approach to a transplanted Italian family. The Christian references: praying, singing, rehabilitating a dog and a parrot? Sounds like a normal life to me. As a Christian, it isn't unusual to talk like that. Faith defines those who truly walk His path. - DM Webb, a reader

From the Author

Welcome to the wacky, wonderful world of inspirational author Janice Hanna Thompson, where romantic comedy rules the day, and where crazy characters like Bella, DJ, Rosa, Laz and even a parrot named Guido turn their world (and yours) upside-down! I hope you love to laugh, because I make it my goal to tickle your funny bone at every turn in my light-hearted tales, especially these "Weddings by Bella" stories. There's something for everyone in my inspirational romances, so settle back in your chair, grab a cup of Earl Grey tea, and get ready to have a blast traveling to Galveston Island with Bella Rossi and the gang! Hugs!

From the Inside Flap

EXCERPT FROM CATALOG:

I glanced out of the window, my sights falling on a black Dodge 4 x 4 complete with chrome, mud flaps, oversized running boards, and those big tires that looked as if they were made merely for recycling as multi-person flotation devices. Not unusual in Texas, but more than a little out of place in our neck of the woods. I held my breath as the door swung open and Dwayne Neeley stepped out.

"Whoa." My imagination hadn't done him justice.

Tall. Check.

Burly. Check.

Five o'clock shadow. Check.

I stopped checking after that, worried I might lose track of the reason for his visit. He drew a bit closer, and I took note of the fact that Sophia--who'd been sitting on our veranda next door--was now on her feet, giving him a solid once-over.

Watch yourself, girl.

As Dwayne ambled up the drive, the pointed toes of his boots moving in perfectly timed steps, my heart seemed to beat along in sync. After a few seconds of staring at his broad shoulders and rugged good looks, I sprinted to the front door, pausing only to double-check my appearance in the front-hall mirror before stepping out onto the veranda. Once there, I did my best to look calm and unassuming.

A smile lit my cowboy deejay's handsome face as he climbed the stairs to meet me on the porch. My, but the boy was tall.

"Dwayne Neeley?" I managed.

"The one and only."

He extended his right hand. I took it, but found it difficult to focus, because, now that we were within hand-

shaking distance, something else stood out, something that totally threw me. His clothes were, well, dirty. And he had that same wet puppy smell Nick's boys always got when they'd been playing in the summer sun too long. And I was pretty sure he had--what was that, sawdust?--in his hair.
