ITIL For Beginners: The Complete Beginner's Guide To ITIL By ClydeBank Technology

ITIL, Made Simple!

A comprehensive yet nicely abbreviated alternative to the five multi-thousand page volumes comprising the Information Technology Infrastructure Library (ITIL®). Welcome to ITIL® simplified!

For over two decades ITIL® has informed the way in which IT delivers services to customers while remaining methodically in-synch with the needs of business. ITIL® best-practices have helped business better manage IT assets, cut costs, provide better customer service, improve internal communications and much more. A cottage industry has emerged offering formal ITIL® trainings and certifications.

IT professionals with ITIL® know-how enjoy a preferred status among hiring managers and executives. Meanwhile, ITIL® consultants regularly show up at the doorsteps of business across the globe committed to revamping underperforming, uncommunicative and non-service oriented IT departments.

ITIL® For Beginners breaks this robust IT framework down into its five core lifecycle phases and reviews the processes, sub-processes, and evaluation metrics (KPIs) associated with each phase. This beginner-friendly text is easy-to-read and fully accessible to ITIL® newcomers. For IT professionals already familiar with one or more of ITIL®'s lifecycle phases, this book will provide a breadth of context for ITIL®'s summary-level functioning and may be used as a decision-making aid for those considering an in-depth study or certification in a certain area of ITIL®.

ITIL® For Beginners was reviewed and licensed by Axelos, the government-sponsored publisher of ITIL®. We at ClydeBank Technology, the publishers of ITIL for Beginners, are grateful and excited to be sharing our work on this interesting subject here on Amazon and across a multitude of other distribution

channels.
