Editorial Review

From [Booklist](#)

No sooner have Jack and Gary escaped Lady Luck (see *Jack of Hearts*, 2007) than the Librarians of Golden Boughs recapture them for return to Mr. Revise. Worse still, they're reunited with Wicked John, the fellow Fable who resembles Jack. An argument ensues, and after a mini-van crash at the bottom of the Grand Canyon, the adventures really begin. Willingham and company are in top form (artist Andrew Robinson's work on the final chapter is outstanding), so Jack and the crew are witty and snarky as ever, even in what is basically an interlude explaining histories and telling secrets. --Tina Coleman

Users Review

From reader reviews:

Allison Carson:

Reading can called mind hangout, why? Because when you find yourself reading a book specifically book entitled *Jack of Fables, Vol. 3: The Bad Prince* your head will drift away trough every dimension, wandering in each and every aspect that maybe unidentified for but surely can be your mind friends.
