### Konfessions to Khloe - Konfided Khronikles (Meticulous Max) (Volume 1)

By Max Well Junior

This book is the very first dosage of sensation in society. The path sensation triggered! Each and every chapter is based upon the true story of 'MAX WELL' who grew up on the dangerous, corrupt and anything but civil streets of South London. He undergoes and watches various gritty encounters and ordeals. The loss of his virginity just makes his lifestyle even more raw and cataclysmic. His outlook on life as well as society takes a downwards slope as far as positivity is concerned. 'MAX WELL' believes that not everything is as it seems and not everything you see or want to be can be exactly what you want it to be and he is living proof of that and he feels this and feels the necessity to put himself out there! He intends to grab society by the scruff of the neck with his monstrous and imprudent tales. 'MAX WELL' illustrates and expresses the nature of his ways in numerous forms. They fall into the categories of sexual, violent, arrogant and to an extent almost narrow minded. He speaks freely about the way in which he conducts himself. He brings his devious actions and characteristics out of the shadows. On 'MAX WELL's' vivid journey he stumbles across Khloe in Catford. After exchanging contact details 'MAX WELL' finds himself revealing some of the very many illicit acts he's carried out within his life. 'MAX WELL' saddles up as far as the truth is concerned. Will the unthinkable occur? Will 'MAX WELL' develop some form of emotional attachment? Has the devil finally become obsessed for all the right reasons or is this just a short-term phase? The explicit and graphic scenes throughout the story DOES NOT promote or support any violence, racism, discrimination, hate crimes or pornography. With the exception of Khloe, fake names have been administered to each and every character in order to hide their true identity for personal as well as legal reasons. This book is for any/all members of society. Kids, teens, adolescents, the working class, students, the crippled, the deaf, the mute, the virgins, the hoes, single mums and dads, uncles, aunts, the homeless, the drug abusers, the thugs and low-life's, the individuals behind bars, the lads in the army and last but by no means least, the Metropolitan Police. THIS BOOK CONSISTS OF DRAMATIZATIONS OF A TRUE STORY. DUE TO ITS GRAPHIC NATURE, READERS DISCRETION IS ADVISED.
