Prophetic Evangelism - Is The Church Ready For The New Move Of God?: A look at the styles of sharing the Christian faith throughout the history of the church By Anna L La Tona

I remember just coming to know Christ and reading a book called, “Out of the Salt Shaker and into the World”. After reading it I remember saying to myself, “I want to be an evangelist too! “ That was thirty-one years ago and the desire to evangelize has not left me. However, it wasn’t until I attended Bible College that I realized I didn’t need the title of evangelist to move in God’s healing power or his prophetic anointing. Some churches still have problems with using prophetic gifts such as words of knowledge, seer anointing, discernment of spirits and dream interpretation to bring others to Christ. The good news is that God has shifted His Church out of the four walls. This book is filled with testimonies from ordinary people who use prophetic gifts to reach the lost along with certain approaches used to bring others to Christ.
