The Artist's Guide to Drawing Animals: How to Draw Cats, Dogs, and Other Favorite Pets By J.C. Amberlyn

In this step-by-step how-to guide to creating classic portraits of animals in pencil and pen-and-ink, artist J. C. Amberlyn combines her love of pets and other familiar domestic creatures with her beautiful, detailed drawing style. Covering a variety of animals from dogs and cats to barnyard critters like cows and sheep and many more, the book covers every species with easy-to-follow instructions for drawing them from every angle imaginable. Along with seven featured examinations of Amberlyn's artistic process, each chapter showcases the tools and techniques needed to produce your own highly detailed, lifelike drawings of a variety of well-known animal companions. The worlds of artists and animal lovers come together in this richly illustrated, in-depth guide to producing charming portraits of some of the most popular pets and domesticated creatures.

Animals have been a part of human artwork from its very beginnings. The earliest ancient paintings, found hidden away in caves, feature animals like the aurochs (wild cow). Egyptian art celebrated animals like the cat with style and beauty. Through the centuries, the horse has inspired paintings, sculptures, jewelry, and even armor. In modern times, cat and dog art sells many T-shirts, calendars, coffee mugs, store brands, and other items. Both art and domestic animals are part of our everyday life, and the two combine together wonderfully...This book features traditional drawing, and most of the drawing instructions are centered on pencil, pen, and paper work. However, even solely digital artists can learn about animal anatomy and features, and gain insight into building up texture and fur.

Users Review

From reader reviews:

Cynthia Medina:

Nowadays reading books become more and more than want or need but also work as a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge even the information inside the book that improve your knowledge and information.
