## **The Civil Rights Movement: Revised Edition** By Bruce J. Dierenfield

The civil rights movement was arguably the most important reform in American history. This book recounts the extraordinary and often bloody story of how tens of thousands of ordinary African-Americans overcame long odds to dethrone segregation, to exercise the right to vote and to improve their economic standing.

Organized in a clear chronological fashion, the book shows how concerted pressure in a variety of forms ultimately carried the day in realizing a more just society for African- Americans. It will provide students of American history with an invaluable, comprehensive introduction to the Civil Rights Movement.

## **Editorial Review**

From the Back Cover

The civil rights movement was arguably the most important reform in American history. This book recounts the extraordinary and often bloody story of how tens of thousands of ordinary African-Americans overcame long odds to dethrone segregation, to exercise the right to vote and to improve their economic standing. Their civil rights movement required unfathomable courage and persistent agitation, during which many activists sacrificed their homes, jobs and lives.

Written in a lively and accessible style, the book:

- Provides a detailed discussion of the racism that accompanied slavery in America and thereafter consigned African-Americans to an inferior position
- Addresses the actions of racists, liberals, and reformers and radicals
- Discusses local reformers who laboured for years to get the movement off the ground
- Provides documents covering the most important aspects of the modern civil rights movement
- Contains Maps and Photographs, as well as a Glossary, Chronology, a Who's Who list of key figures, and a Guide to Further Reading.

Organized in a clear chronological fashion, the book shows how concerted pressure in a variety of forms ultimately carried the day in realizing a more just society for African-Americans. It will provide students of American history with an invaluable, comprehensive introduction to the Civil Rights Movement.
