Since this novel was released, published for the first time in hard cover in 1996, it has propelled Mr. Ketchum to a cult following. Once you read this book, you'll never forget it. If you haven't read Ketchum... you NEED to!

In 2007 The Girl Next Door was released as an original movie on DVD. Stephen King (Fall 2007) was able to see an advance of the film. Here is what he had to say:

"The first authentically shocking American film I've seen since *Henry: Portrait of a Serial Killer* over 20 years ago. If you are easily disturbed, you should not watch this movie (or read the book). If, on the other hand, you are prepared for a long look into hell, suburban style, *The Girl Next Door* will not disappoint.

This is the dark-side-of-the-moon version of *Stand By Me*." - Stephen King.

About the Author

Jack Ketchum is the pseudonym for a former actor, teacher, literary agent, lumber salesman, and soda jerk. He is also a former flower child and baby boomer who figures that in 1956 Elvis, dinosaurs and horror probably saved his life. His first novel, OFF SEASON, an updating of the Sawney Beane story, prompted the Village Voice to publicly scold its publisher in print for publishing violent pornography. He has always wondered what they would think of THE GIRL NEXT DOOR.
