By Brian Korb and Glocap's Private Equity T

The Glocap Guide To Getting A Job In Private Equity By Brian Korb and Glocap's Private Equity T

This book, which has been updated with 2006 data and commentary, is written by one of the leading executive search firms specializing in private equity. It gives unique perspective into how the private equity hiring process works as well as insight into the skills demanded by hiring firms, what they ask in interviews and the best path to take to build a long-term career. The book is an essential resource for all levels of candidates seeking to break into this highly competitive industry. No matter if you are still in college, a few years out, currently in business school or even several years removed from grad school, there is advice for you on how to best position yourself to pursue an opportunity in private equity. In addition to our own guidance, there are more than two dozen CASE STUDIES of actual job candidates who successfully navigated the difficult private equity hiring path. In these first hand accounts, candidates describe their backgrounds, what worked for them, what didn't and how to prepare for interviews. Fifteen of these professionals also share their resumes with readers. The book is also filled with advice from senior private equity executives who give their own ideas on how to succeed in the industry.

Editorial Review

Review

"This book is an excellent resource for both new and experienced professionals. It is a thorough and detailed one-of-a-kind "how to find a job" book dealing with different timelines in an individual's career. I highly recommend it to anyone looking into private equity. - --Bahram Shirazi, Managing Director, The Cypress Group LLC

"If there s one book to read about getting a job in private equity, this is it. Glocap has put together a comprehensive and practical guide for students and professionals targeting the private equity industry. The book provides a framework that individuals from a variety of backgrounds can follow. It is instructive without downplaying the challenges of obtaining a job in private equity." - --Michael S. Pfeffer, Managing Director, Post Capital Partners LLC

"This guide provides an extremely helpful and realistic road map for those trying to enter the private equity industry. For them, this book is likely to be a high return investment in private equity." - --Steven N. Kaplan, Neubauer Family Professor of Entrepreneurship and Finance University of Chicago Graduate School of Business

Ronnie Chaney:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Glocap Guide To Getting A Job In Private Equity can make you sense more interested to read.
